DEDICATION

Dedication

We the members of the Comstock Annual Staff wish to dedicate this 1950 Annual to the Comstock P.T.A. For an organization that has just begun they have aided the students and community in many ways. Their hot lunch program has been greatly appreciated by the students.

Class History

Of the seven students graduating from Comstock High School in the class of '50, only two started their education in the first grade at Comstock. Clayton and Floyd were the lone first graders back in 1938.

Marlys Rehder and Lance Nelson joined the class in the third grade, but Clayton left to attend school at Ibsen, that same year, so the class enrollment increased with the addition of Duane Barth, Marjean Czichotzki, Theodore Dickelman, Donna Geswein and Louis Krueger.

Duane Buth joined our class in the fifth grade, and Clayton came back the year we were sixth graders.

During the next two years some of our former classmates moved away to attend school elsewhere. Duane Barth, Louis Krueger, Clayton, Floyd and Lance finished the eighth grade together at Comstock.

The day we were to enter high school finally came. We were sorry to find that Duane and Lois were going to high school elsewhere. However our class of three was enlarged by the coming of Myron, Kenneth, Earl, Charles and Orlen from Rustad, and Edwin from Hickson. Mr. Dewart was our advisor this year and the frosh were known as the Ten Comet Bachelors.

The fateful day finally came----a girl arrived who was to join our class--it broke up our bachelor-dom, but we are all glad Kitty came to join our group. From the mole's standpoint of view she adds "spice" to our arguments. Were she not here we wouldn't have any arguments.

As Seniors our status is six and one. Earl transferred to Fargo last fall.

Class Will

I, Myron Loren Anderson, leave my back seat in the school bus to Loel T. (It's very handy).

I, Floyd Dannie Blilie, LEAVE (Ain't that enough).

I, Catherine Ann Haugen, leave my ability to get along with six boys in the course of two years to anyone who has the opportunity.

I, Clayton Melvin Hoyme, leave my ambitious and studious nature to Chucky Askegaard.

I, Edwin Gene Kallander, leave my Model A. to the Freshmen Boys. It will get you through anything kids.

I, Orlen James Valan, leave my ability to get home excuse slips signed to Joanne Bergland.

I, Charles Redifer Walker, Being of sound mind and solid body leave my physique to Donny Hoyme.

I, Charles Redifer Walker, leave my flying ability to Duane Brandt, being he is always up in the air about something.

I, Orlen James Valan, leave my gorgeous curls to Genelle P. (It's not a Toni either).

I, Edwin Gene Kallander, leave my hearty laugh to Einar Leiseth. (Hold it down Einar).

I, Clayton Melvin Hoyme, leave my basketball technique to Bing. May it aid you in many ways.

I, Catherine Ann Haugen, leave my debating ability to the future debaters of C.H.S. Hoping you will win at least one debate.

I, Floyd Dannie Blilie, Am taking Kitty with me, so there to.

I, Myron Loren Anderson, leave my ability to get along with "Sisters" to Dean Nelson.

Class Prophecy of 1950

Looking into the Crystal Ball we see a great future for the members of the Senior Class of '50.

Pie Anderson is a distinguished member of the N.D.A.C. experimental station faculty. His experiments to produce square eggs has aroused considerable comment from people and hens alike. We expect great things from Pie.

Floyd Blilie after extensive study in Mathematics is now back at old Comstock High School teaching Math. Mr. Kenneth Olson has stayed on as his assistant.

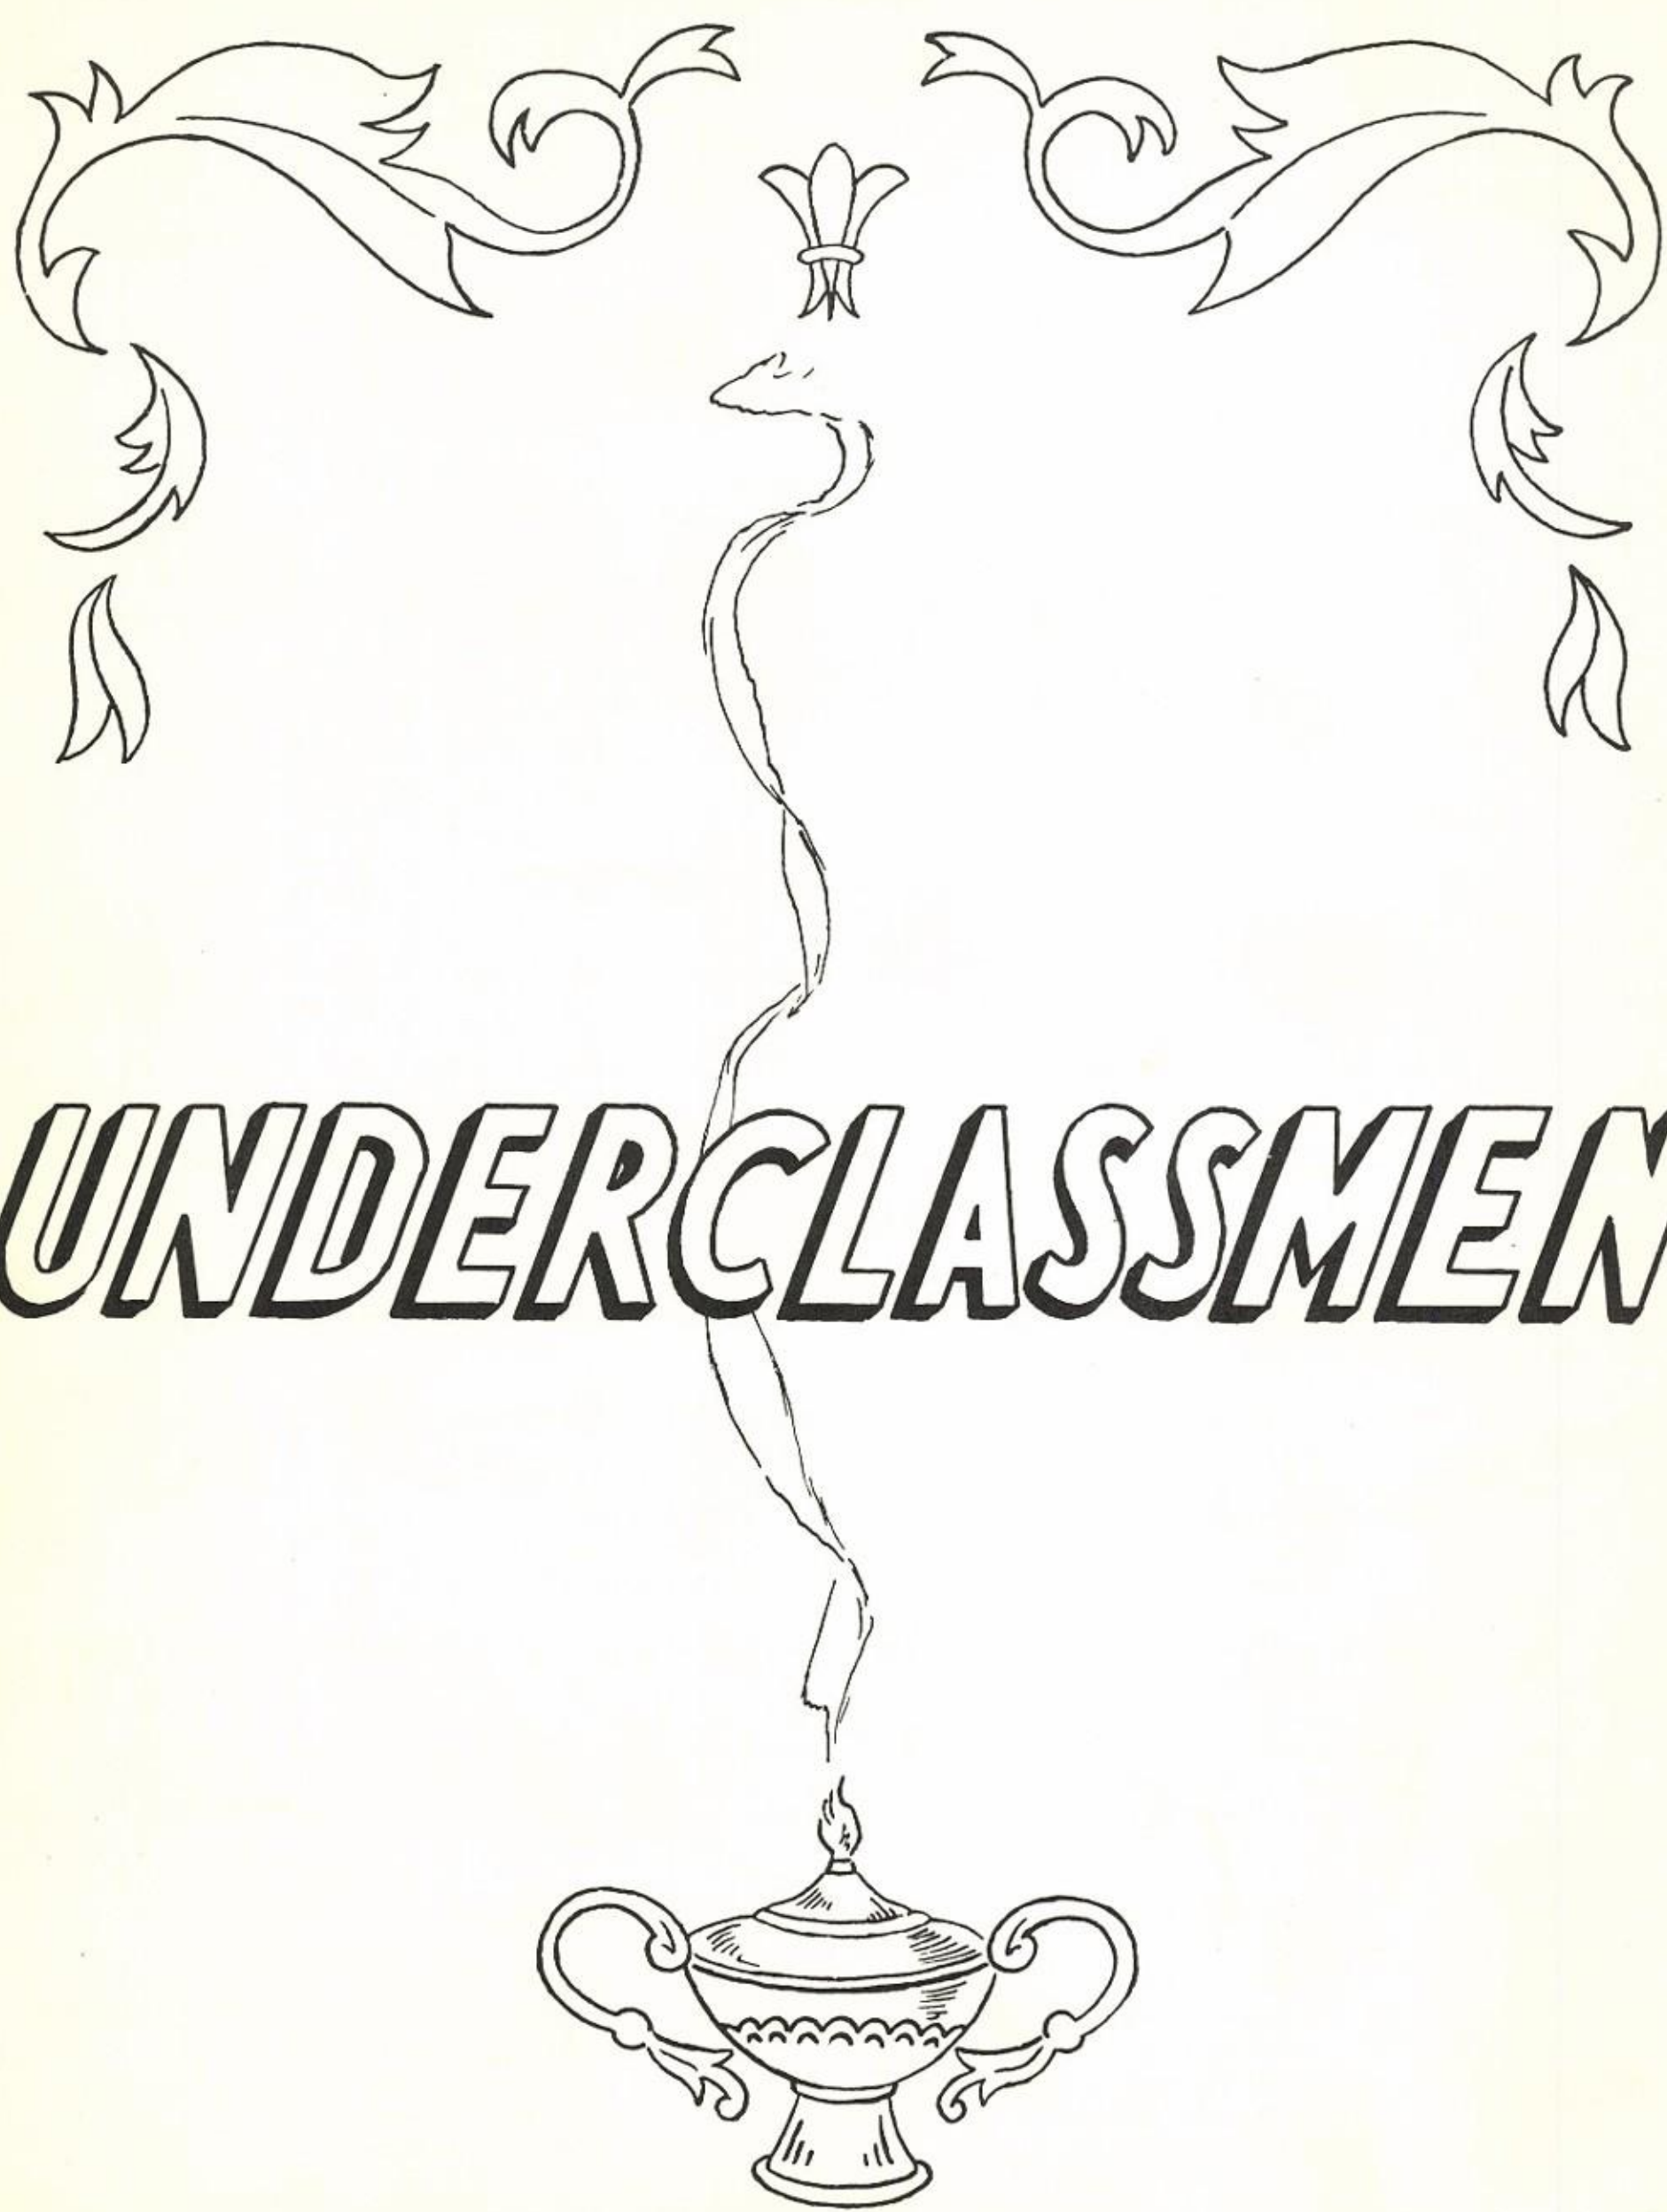

Kitty Haugen has been working extensively in the Medical Science Field. She has made many note-worthy contributions, since she began to specialize in ailments of the heart.

Everyone knows where Clayton Hoyme is now that he has out done Father Dione. Father Dione has five girls as everyone knows, but Clayton has four girls, three boys, and a cocker spaniel. He is widely known for his accomplishments.

Edwin Kallander after long research in the field of machines has now achieved long deserved fame for his invention of a machine to force tooth paste back into the tube.

Orlen James Valan is now President at Vassar College for Women in the state of New York. In his spare minutes he drives Ernie Johnson's race car.

Charles Walker is flying nonstop flights around the world. He now holds all the existing air records and now plans a trip to the moon for Kraft Cheese Company.

A decorative vertical line runs down the center of the page. At the top is a fleur-de-lis. The line has a small snake-like head at the top, then a long, thin, wavy section, and finally a small flame at the bottom. At the very bottom is a detailed illustration of a classical oil lamp with two ornate handles and a decorative base. The title "UNDERCLASSMEN" is written in a bold, italicized, sans-serif font across the middle of the page, with the central vertical line passing through it.

JUNIOR NEWS

The Juniors of '49 and '50 are trying various ways to make money for the Junior-Senior Banquet in the spring. So far we have undertaken two projects:

1. Selling pencils with the basketball schedule for the season printed on them.
2. Selling candy and popcorn at the basketball games, and at school during the noon hour. Thanks to the "sweet tooth" we sell a lot.

Our biggest project will be the Junior class play or a Junior-Senior class play planned for the spring of 1950.

We have been eagerly awaiting the arrival of our class rings, and January 16, was the "big day". We think they are very nice, and I am sure there are some other people that think the same. There have been some requests made to "borrow" them for a little while.

Our fall election of officers resulted in the following:

President	Pearl Walker
Vice-President	Norma Ness
Secretary	Kenneth Reitan
Treasurer	Duane Brandt
Student Council	Pearl Walker
Advisor	Miss Strand

P. S. Do you need any pencils? 5¢ a piece.

SOPHOMORE NEWS

As usual the Sophomore Class has the privilege of welcoming the Freshmen into C.H.S. This year it was our turn and we did this with an initiation party given in their honor on October 15. We hope they appreciated our kindness.

To take care of our class business we elected the following officers:

FRESHMEN NEWS

The long awaited day finally came when the C.H.S. doors were opened to us. We were seated alphabetically in the large assembly. The Sophomores welcomed us by giving us an initiation party in October. They gave us caramels which really were delicious-especially after having been soaked in liniment. Several of us were dressed as comic-strip or story book characters. Next year we'll truly enjoy being mean to someone else.

We gave our Freshmen return party on December 7. We played games and had hot dogs and pop for lunch. We enjoyed this party more than the one the Sophomores gave us.

We elected class officers as follows:

President - Patty Asleson
Vice-President - Robert Brandt
Secretary - Vivian Melby
Treasurer - Lowell Olson
Student Council Representative - Alice Quiggle
Advisor - Mr. Olson

INTERMEDIATE GRADES

In the fourth and fifth grades this year we had thirteen boys and three girls. There are only fifteen children in our room now. Douglas left our group after Christmas and moved to Fargo.

The third grade spent a part of each morning with us having their Arithmetic class and seat work period in our room.

Besides our regular class work we had parties at Hallowe'en, Christmas, and Valentine's Day. Each of us took part in the Christmas pageant "When Christmas Comes."

Most of us have hobbies, so to share them with our classmates we organized a Hobby Club. We elected officers each month, so we could all have a chance to conduct meetings and carry on the duties of officers in an organization.

We were lucky this year to get new text books for Reading, Arithmetic, and History. Several library books were added to our reading enjoyment. The ones we liked most were old favorites revised into the vocabulary we use, namely, "Tom Sawyer" and "Treasure Island". Many of the Intermediate children made good use of the Clay County Bookmobile which made regular stops in our community.

PRIMARY GRADE ROOM NEWS

Since the boys are outnumbered by girls, they must really behave this year. We are sixteen girls and only nine boys.

This school year seems to be going very fast. Guess it's because we're so busy and there are so many activities. We have had many birthday parties and a party for each holiday.

We participated in the Christmas pageant given by the elementary grades and high school chorus for the December P.T.A. meeting.

The hot lunches at noon are just as good as ever. Our appetites are getting bigger and we really "go" for the "seconds". Sometimes the cooks surprise us and send up an afternoon lunch. Needless to say that we enjoy surprises like that!

We have received some new reading and health books for our reading table. The Clay County Bookmobile has visited our school and we all enjoyed the books it brought.

Once a week, on Tuesdays, we go to church for our religious instruction.

Last spring some of the third grade boys built a library and two cute little chairs for our "Cozy Corner". This fall we painted them all red and made cushions for the chairs. We are so thankful to Gerald P., Harvey, Walter and Harold. They are really the good Comstock carpenters.

We are so proud of our new bleachers and have tried to keep them looking nice.

The girls are waiting for spring and "Dolly Day". But of course we can't bring our dollies until the weather gets warm. We have lots of fun on that day because we play house and pretend we're grown up. Last spring Emmy Lou was judged the best little mother.

No one has had to wear the "Gossip Gown" in our room yet this year. We don't care to wear it either because it is a horrible thing all black, with ragged fringes along the bottom!!!

UPPER GRADES

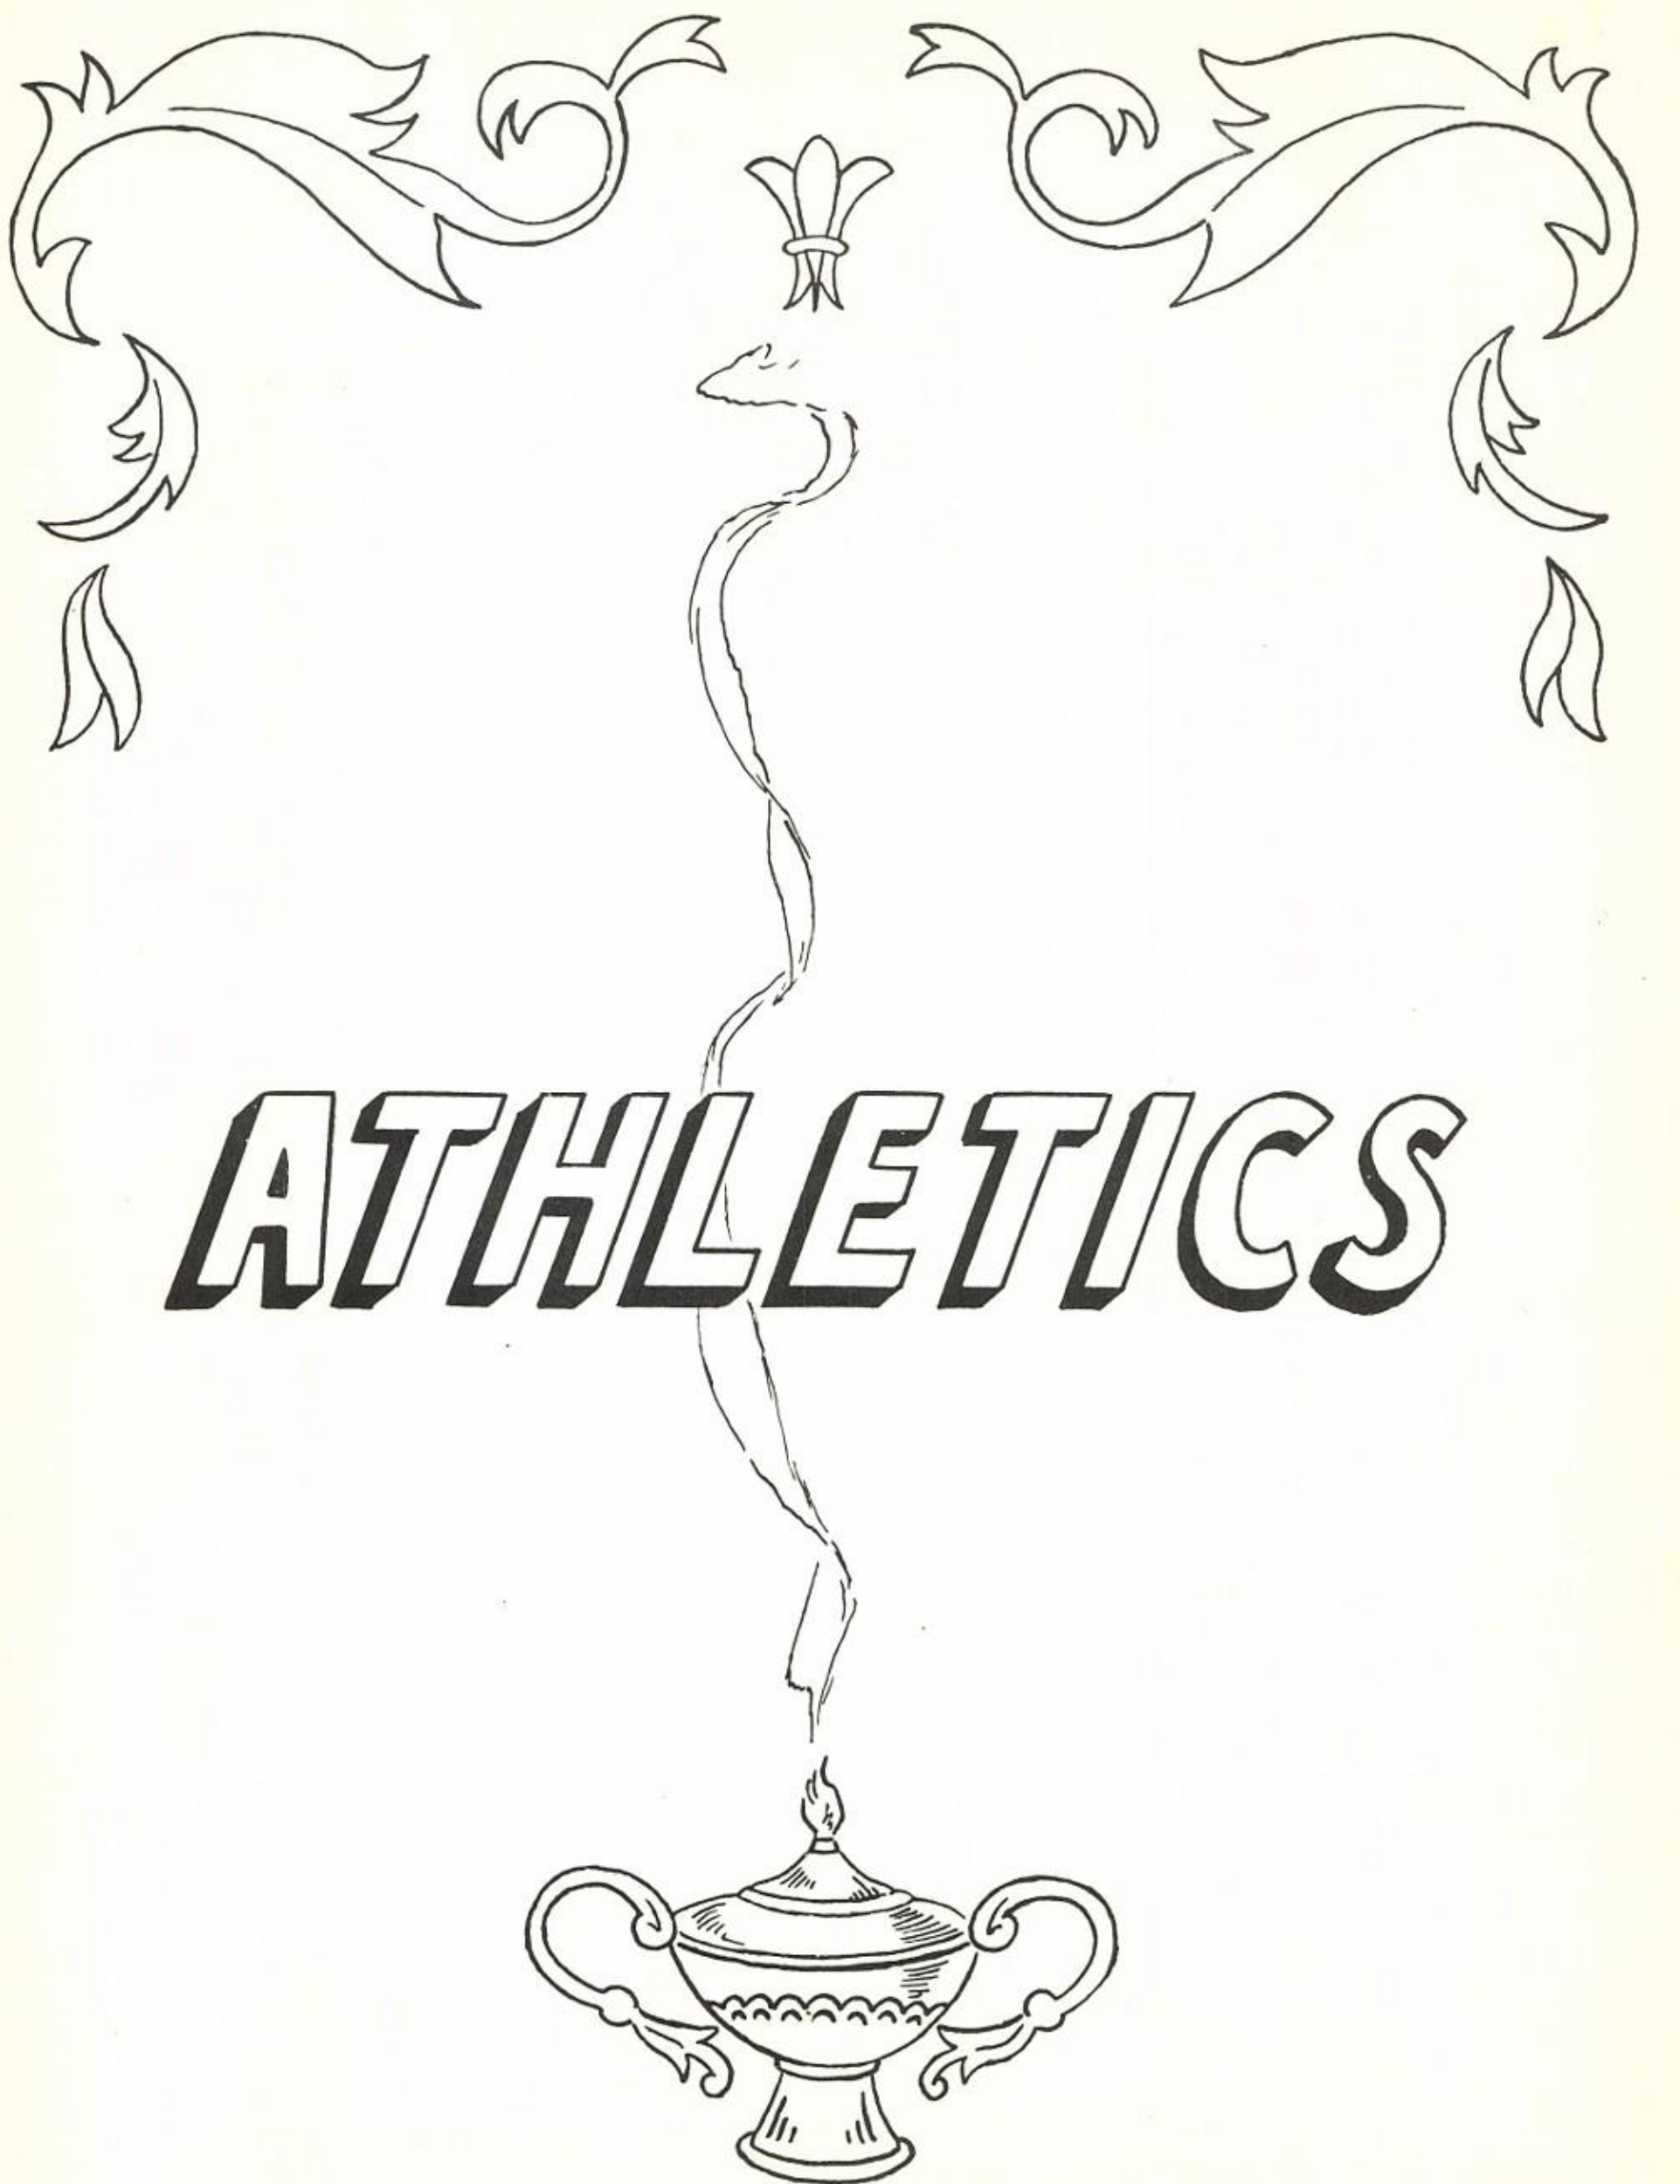

Grades six, seven and eight have an enrollment of nineteen, with five girls and fourteen boys. We have four pupils in the sixth grade, eight in the seventh grade and seven in the eighth grade.

We have a Young Citizens Club with the following officers: President, Sybil Gunderson; Vice-President, Paul Montplaisir, Secretary, Orland Bye; and Treasurer, James Nugent. Our club's motto is: "To Every Man There Openeth A Highway And A Low, And Every Man Decideth The Way His Soul Shall Go."

Some of our projects include: giving programs on the different holidays throughout the year, taking care of our plants, arranging our bulletin boards and room decorations, sponsoring the showing of films, contributions to the Christmas seal drive, the Junior Red Cross, March of Dimes, Crippled Children's Fund and Care.

We have spelling teams with Sidney Eggum, captain of the Crows, and James Nugent, captain of the Hawks.

This year we are so happy having received a number of new text books. We have new Math, English and Spelling books in all three grades, and new Social Studies Books in the seventh and eighth grades.

ATHLETICS

BASKETBALL HIGHLIGHTS OF '49-50

As this annual goes to press the 49-50 basketball season is swiftly drawing to a close. Looking back over the season thus far we find that our win-loss record is not as good as many previous seasons. However, though our boys were occasionally outscored they were never outfought. The opposition was strong this year, but none of our opponents left the floor without realizing they had been in a ball game.

We are now entered in the strong Minn-Dak conference which has such teams as Oak Grove, Casselton, Dilworth and M.S.T.C. This added on a few extra teams and also gives the team something to work for during the season. A record of the seasons games is as follows.

The B-Team this year won twelve games while losing eight. The starting line up this year is as follows: Ronald, Bob, David, Loel T., Denny E. The reserves were Jimmy, Richie, Chucky, Donny, Lowell O., Sidney, Bing, Jimmy N., Royal, and Jack.

Bob and David worked themselves up to play on the A-Team in the Sub-District Basketball Tournament.

Due to mechanical defect of the camera the B-team picture was ruined and could not be taken over, as it would delay the publishing of this annual.

GIRLS' ATHLETIC ASSOCIATION *****

The Girls' Athletic Association, better known as the G.A.A. elected the following officers for this year: President, Darlene Ernst; Vice-President, Darlene Ness; Secretary, Shirley Jorgenson; Treasurer, Gehelle Peterson; and Advisor, Miss Strand.

We have only had one G.A.A. party so far but are looking forward to one or two more. We had our first party at Johnson's Roller Rink in October while the weather was still nice. Some of us were just beginners but soon learned how to skate with only a few spills.

We are also looking forward to another Spring Field Day which will be held at Moorhead. Many of us attended last year and had a great time.

Mixed Chorus

Mixed Chorus

In mixed chorus this year the boys have music every Tuesday and Thursday. The girls have music Monday and Wednesday and on Friday we have mixed chorus. Mrs. Anderson is our music teacher again this year.

This year the grades and the high school chorus presented a Christmas pageant, "When Christmas Comes."

We are looking forward to participating in the Red River Music Festival again this year.

Student Council

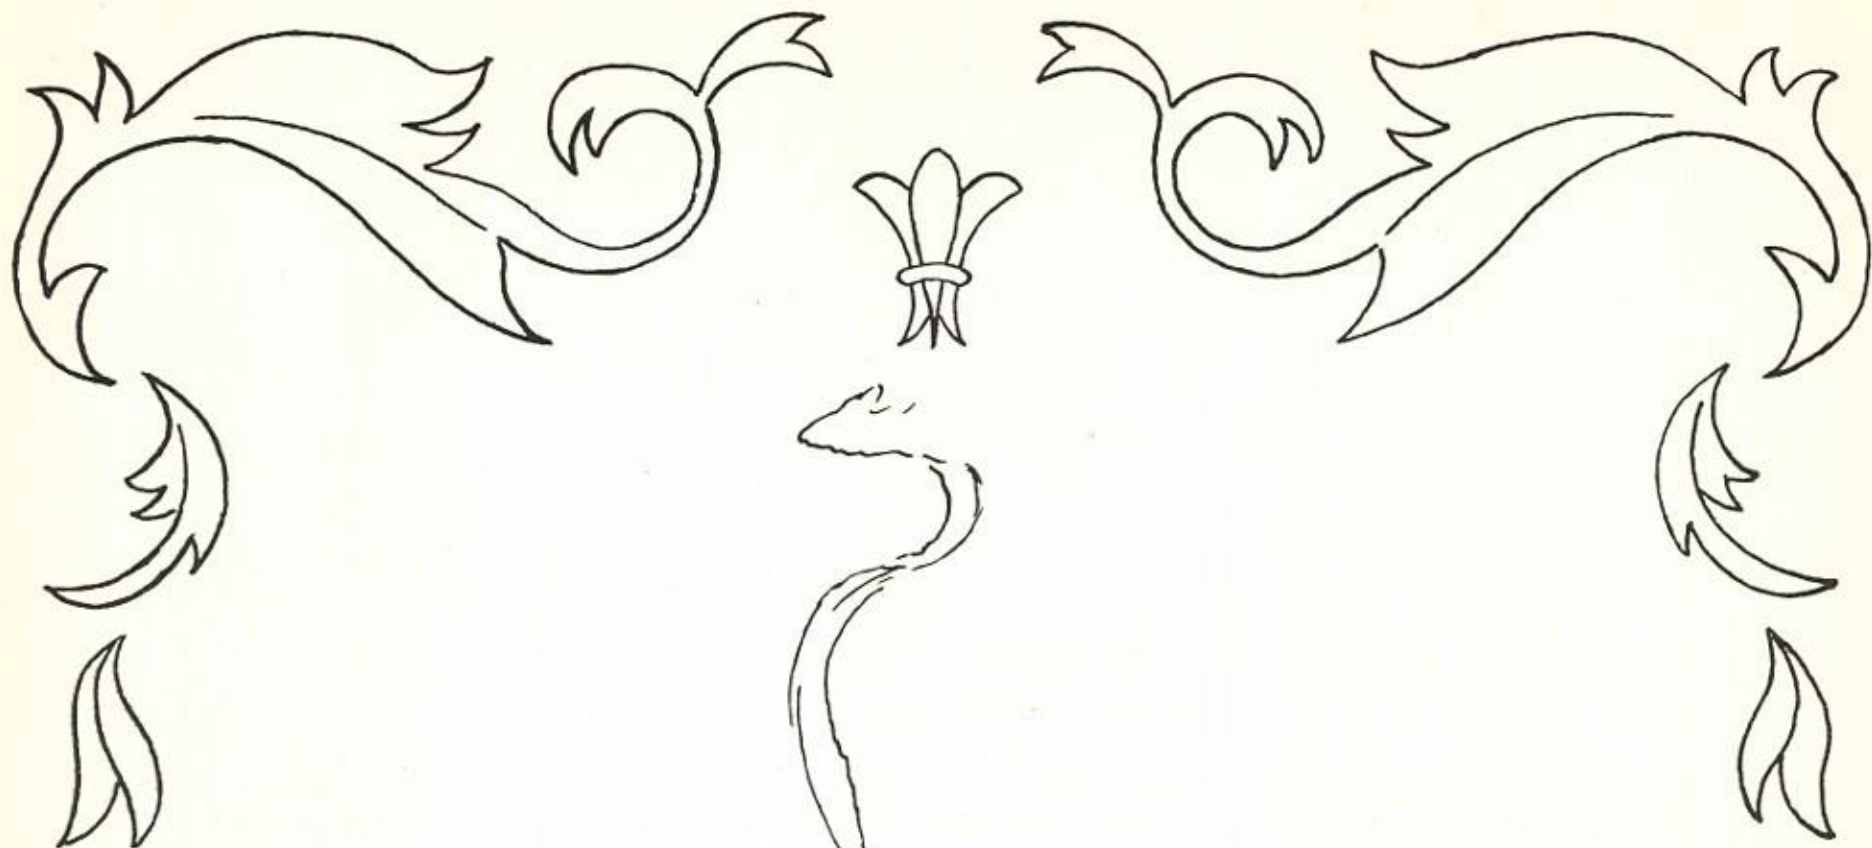

This year we are continuing with our weekly patrol, to keep order during the noon hour.

The Student Council gave a Christmas program this year for the high school. Songs were sung, and a few readings were read by the Student Council members.

Members elected this year for the Student Council are as follows: Pearl Walker, Catherine Haugen, Charles Walker, Patty Asleson, Darlene Ness, and Roger Livdahl.

Debate

This year for the first time six students of CHS took part in debate. We entered the debate tournament at Concordia College. Although we didn't win any debates we feel we have gained much by partaking in the contest. Those taking debate were: Orlen, Kitty, Floyd, Charles, Pearl, and Roger.
